**Home Spelling Practice**

**Dear Family,**

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Crossed Words** Ask your child to create a crossword puzzle using as many of the words on this review spelling list as he or she is able. Perhaps you would like to have a family contest in which each participant creates a crossword puzzle using as many words on the list as possible. The person who uses the most words wins. Give a simple prize (perhaps your child would like to make one) to the winner.
