**Dear Family,**

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Riddles** You and your child will enjoy writing riddles for the spelling words. For example, "Lots of people like to climb to my top. Who am I?" (**mountain**)

Take turns trying to guess the answers to each other's riddles. Then have your child write the spelling words.
