Practice****Dear Family,**

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Ask your child to write as many words as he or she can think of that begin with **bi-**, **mid-**, **semi-**, and **tri-**.

Compare your child's list with the list of spelling words. How many words did your child write that are on the list? How many words did he or she write that are not on the list? Then tell him or her to write all the words on the spelling list and to explain the meaning of each prefix.
