Home Spelling Practice

Dear Family,

In the next few weeks your child's spelling skills will continue to develop as she or he studies words that contain the **sh** and **ch** sounds.

A variety of spelling patterns are presented for each sound. Each activity on the **Home Spelling Practice** will provide your child with extra practice in identifying the spelling patterns in each spelling word.

Ask your child to draw a circle around each **ch** or **sh** sound in the list of spelling words. Have him or her pronounce each word. Ask your child to write the spelling words correctly on the blank lines.
